ECOXPEDITION OVERVIEW

We have designed the EcoXpeditions as part of our global climate and ocean conservation outreach. The main focus is to provide a hands-on and immersive experience to initiatives around the world that are making a positive impact on climate resilience and ocean conservation. This has the power to change the perspectives of participants and evoke an appreciation for environmental stewardship.

Conservation Experience ITINERARY

DAY 1

Airport arrival, check in at Hluhluwe Bush Camp. Welcome lunch followed by an intro to isiZulu culture. Dinner welcome with Wild Tomorrow Fund team.

DAY 2

Hop aboard a safari vehicle to tour Wild Tomorrow Fund's wildlife corridor, home to over 1200 species. Learn about local habitat conservation. Picnic on the reserve.

DAY 3

Take part in forest restoration while learning about the endangered sand forest habitat. Lunch field briefing on giraffe conservation followed by sunset safari.

DAY 4

Take part in a bird survey. Lunch and safari at nearby Hluhluwe-Imfolozi Park, home to at least 1/5 of the world's rhinos, yet under severe poaching pressure. Evening presentation on rhino poaching and conservation.

DAY 5

Assist with the management of a threatened species. This could include a rhino dehorning, or collaring of priority species for monitoring (e.g. wild dogs, cheetah, elephant or lions).

DAY 6

Visit a community orphanage. Help the women in the kitchen, tend the veggie garden, or just play with the kids. Then it's off to Sodwana Bay.

DAY 7

Enjoy a relaxing day at the beach with an optional add-on to scuba dive or snorkel. Presentation on shark conservation. Early dinner looking out to sea for whales.

DAY 8

Morning snare patrol with rangers. Visit a community preschool to learn about the importance of community-focused conservation.

DAY 9

Morning safari. Get your camera ready for the chance to see lions, elephants, cheetah and more while learning about their conservation.

DAY 10

Spend the morning volunteering at a local rhino orphanage. Then take a walking safari at False Bay Park, exploring sand forests and thronvelds. Presentation on the importance of "little things" from scorpions to termites — while finding them in the bush
