

# HIGH SCHOOL EDUCATION PROGRAMS

Bay Ecotarium provides NGSS-aligned environmental science education programs at multiple locations in San Francisco. **See our program options below.**

## Aquarium of the Bay Programs

### ■ High School Behind the Scenes Tour:

Go behind the scenes at Aquarium of the Bay and explore possible green careers for students along the way. Discover the intricacies of animal care in a large aquarium, and investigate the variety of tools our biologists use to keep our animals healthy.

### ■ Self-Guided Aquarium Tour:

For groups that only have a short time to visit, a self-guided Aquarium tour is the best option. Self-guided tours are flexible and give your group an awe-inspiring look at the life of San Francisco Bay.

## EcoCenter at Heron's Head Park Programs

- **Climate Stewards:** What's happening with our climate and how can we take care of it? Explore climate change basics, how animals and ecosystems are being affected, and what we can all do to make a positive difference in our communities.
